Primary Examiner

The following is an examiner's statement of reasons for allowance: None of the prior art teaches or suggests a method for manufacturing an integrated circuit including removing material from at least the top exposed portion of each sidewall of each of the dielectric region, to recess the top portion of the sidewall laterally away from the adjacent first portion of the floating gate, forming a second conductive layer over the one or more first areas, the second conductive layer contacting the first conductive layer and providing a second portion of the floating gate for each nonvolatile memory cell, the second conductive layer abutting the top recessed sidewall portions of the dielectric regions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kevin M. Picardat whose telephone number is 571-272-1841. The examiner can normally be reached on Monday-Thursday 7:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Amir Zarabian can be reached on 571-272-1852. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
